Incorporated

On Monday March 4th sold 135,460 pounds for an average of \$31.50. This is the  
**HIGHEST SALE AVERAGE EVER RECEIVED IN MT. STERLING**

and shows that THE FARMERS HOUSE is the place to get the most money for your tobacco. We are receiving plenty of cars now and have sufficient room to store all tobacco sold, so you may bring us your crop now anytime you desire and we can handle it for you. We have plenty of men to handle your tobacco and we take an interest in every crop sold.

**We have sold 3,001,600 pounds for an average of \$25.53**

#### JOINS HOSPITAL UNIT

Prof. Bruce Reynolds, noted violin player and leader of the orchestra at The Tabb Theatre, last week joined the Dr. Barrow unit and left Friday for Camp Taylor to undergo training. Prof. Reynolds formerly lived in Lexington but had been making this city his home for the past few years and had made many friends both with his violin and his personality who will join us in extending to him every good wish. His successor at the theatre has not yet been secured.

#### Bell's Famous Hawaiians.

An unusual program will be presented at The Tabb Theatre, Saturday, March 16, by Bell's Famous Hawaiians, when they will present their Hawaiian-American musical masterpiece.

They represent the largest all Hawaiian star company that has ever been presented to the American public. The company includes such noted artists as R. N. Bell, one of the Hawaiian entertainers in the Royal Palace, Honolulu, for the late Queen; Mr. George Caciini, the World's famous Hawaiian tenor; Princess Lei Lehua, noted Hawaiian Hula Hula dancer. These artists will be supported by a large company of Hawaiian artists, representing the pick of Hawaii's most noted instrumentalists, singers and dancers. From the many inquiries coming into the box office this organization will, no doubt, prove to be the big drawing card of the season.
